1. This is an application against concurrent orders passed by the 2 lower Courts. The trial Court issued process under Section 138 of N.I.Act. Matter was challenged in revision. Revision was dismissed. It was sought to be argued that according to the complainant the liability was of accused no.1 to whom the loan was given. Perusal of the complaint however, indicates that it was for return of this loan amount that accused no.2 gave the cheque. Complainant's daughter

stood as guarantor and prima facie it is not possible to hold that there was no liability on her. In the circumstances, application stands dismissed.
